

The image shows the exterior of The Alexandra Centre, a multi-story building with a modern architectural style. The building features a white brick wall on the ground floor and a concrete upper level with a balcony. A ramp with a metal handrail leads up to the entrance. The sky is clear and blue. The text "THE ALEXANDRA CENTRE" is overlaid in white, bold, sans-serif font across the center of the image. A vertical white line is positioned to the left of the text. At the bottom center, there are small white navigation arrows pointing left and right.

# THE ALEXANDRA CENTRE

# MAIN ENTRANCE

---

The main entrance into the Alexandra Centre.

This is where you will get off your transport and into the college building.

# RECEPTION AND CAFÉ AREA

---

The reception and café area.

This is where you will greet staff members and your fellow peers when you come inside college.

# FAMILY ROOM

---

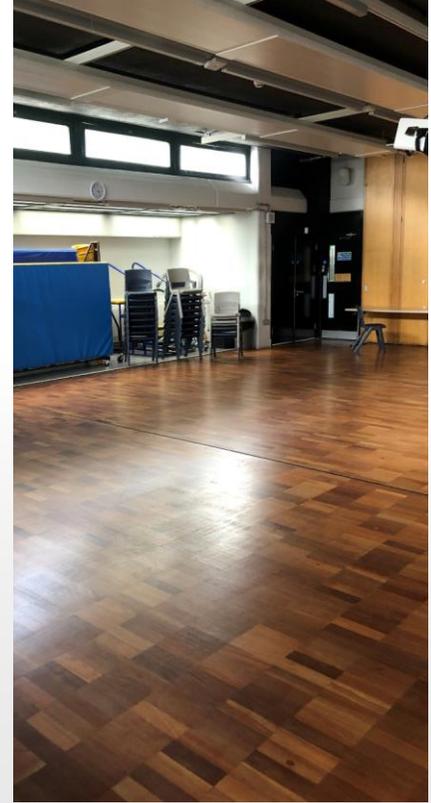

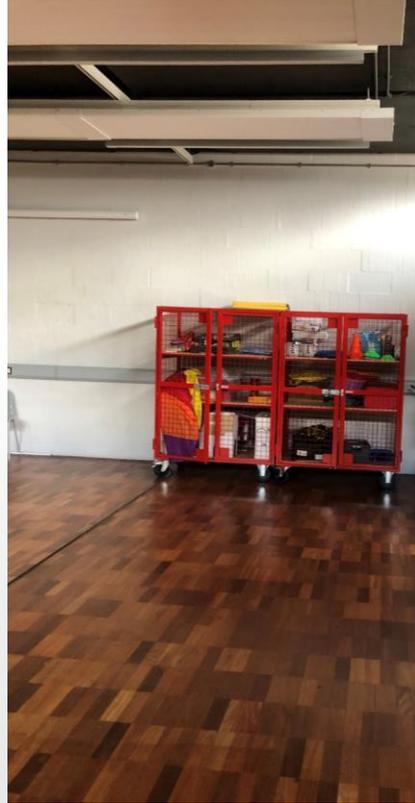

- This is the family room. It can be used to have a break/relaxing time and it can be used to do work.
- If the classroom you are in is too noisy, you could use this room to complete your work.
- It's mostly used to do kitchen related activities but can be used for any activity!

# HALL

---

- This is the Hall, where you will have group sessions such as Drama, sports and rebound therapy sessions.
- The hall can be used to play other games such as table tennis and foosball.
- It is also used to eat lunch in for some students.

# KITCHEN

---

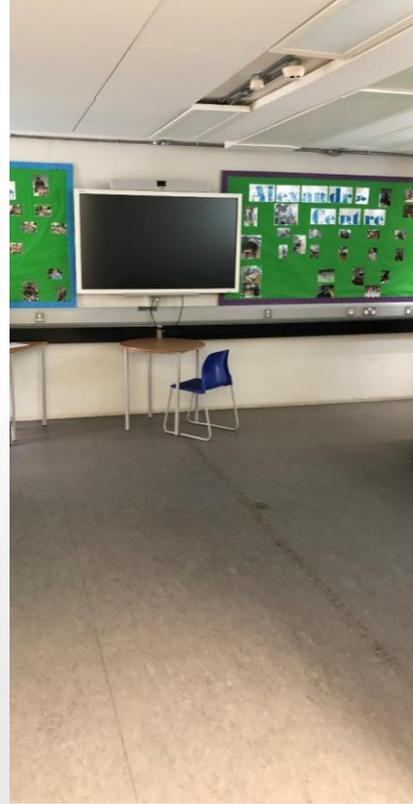

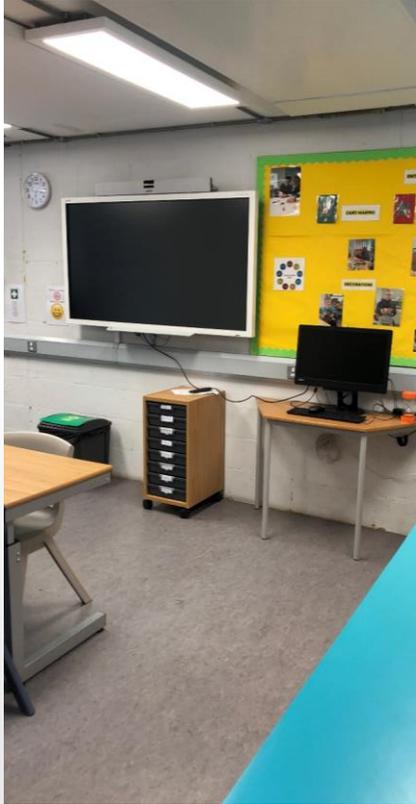

This is the kitchen.

- You will learn how to make several healthy recipes for your lunch.
  
- On some occasions you will also make baked good and other items that can be made to sell.

# ICT ROOM

---

- These are the ICT rooms.

Here you may do interactive sensory sessions, media, enterprise or photography sessions.

# CLASSROOM 4

---

- This is classroom 4. In here you will have sessions such as Domestic Skills, Cooking and Enterprise.

# GYM

---

- This is the gym! Here, you will do fun sport activities and learn to stay active.
- You can use the bike, the cross trainer, the trampoline, the rowing machine and the treadmill. You have a whole range of activities that you can do.
- When the weather is nice, you will also use the outdoor space to do gym and sports activities.

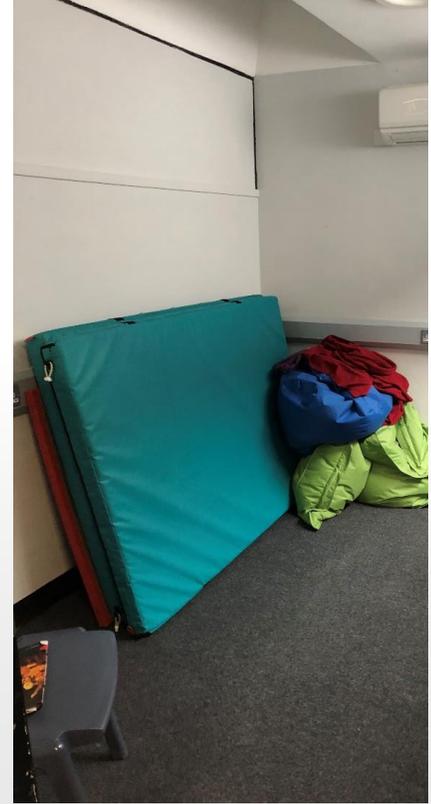

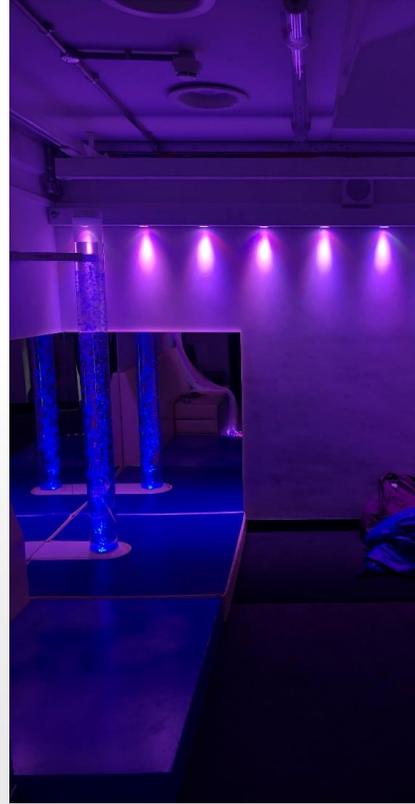

## QUIET ROOM AND SENSORY ROOM

---

- This is the Quiet Room and Sensory Room.

The sensory room can be used for sensory and switch related activities.

The rooms can also be used if you need some quiet time if your classroom is too noisy or you just need to take a break in a quiet space.

## OUTSIDE AREA/COURTYARD

---

- This is the courtyard. If you feel like you need a break, this is the place you can go to.

You will spend a lot of your free time here when the weather is nice and you can catch up with staff members and fellow classmates.

There's several activities you can join in with as well, such as football, basketball, running, etc.

# MEDICAL ROOM

This is the Medical Room,  
where the medication that you  
need will be stored!

---

# TOILET/PERSONAL CARE ROOMS

---

- This is where the toilets and personal care rooms are located.

If you need to use the toilet or get a change of clothes, these are the places to go!

# PHYSIOTHERAPY ROOM

---

- This is the physiotherapy store room. If you have physio equipment, then you will be able to store it and collect it from here when you need it.

Sometimes you might come here if you need to be fitted for new equipment, but your physio sessions will be based in the classroom so that you can also continue your learning activities.
